

Dear Brethren and friends,

Something is happening at Japan Gospel…

Don't be scared—we promise good things, and we have some to share!

October may be the season for spooky surprises, but we're excited to let you in on what's taking shape. There's a newly launched website to explore, preparations underway for our next visit with the brethren in Japan, and an important update about where to send support. Even our truck is getting in on the season by "dressing up" as an RV—although its transformation will last a little longer than Halloween!

But first, some news you have helped make possible: **we're nearing our one-time support goal, with just a little further to go!**

Thank you for every prayer, every word of encouragement, and every contribution. Behind these updates are people who have chosen to help our family take the Gospel to Japan. We are deeply grateful for you and your generosity.

An Important Update: Our Overseeing Congregation

Our overseeing congregation has officially changed to **Alkire Road Church of Christ in Grove City, Ohio**. We are thankful for their willingness to oversee the work as we prepare for the next steps.

If you are not already giving regularly through our website, please direct all future support to:

Alkire Road Church of Christ
2779 Alkire Road
Grove City, OH 43123

Please write "Japan" in the check's memo line so the congregation knows to designate your contribution for the Japan work.

If someone else handles your congregation's contributions, please pass this information along to them. Thank you for helping us make this a smooth transition!

Preparing for Our Next Trip to Japan

We are communicating with the brethren in Japan and planning our next visit. During this trip, we hope to look at properties and gain a clearer understanding of where our family will live and how we can work alongside the congregations there.

These plans are still taking shape, and we ask for your prayers as we consider the decisions ahead. We look forward to sharing more as those plans are finalized.

Meanwhile, we have a practical project underway here at home. We have acquired our Japan Gospel truck and are actively converting it into an RV for travel while we are in the United States. Our goal is to reduce hotel costs during stateside travel each year. It is a work in progress, but we're excited about the purpose it will serve!

Our New Website Is Live!

The wait is over! —our redesigned website is finally live!

We will be returning to regularly sharing sermons, Bible study materials, recipes, and other updates. Whether you stop by for something to study, something to cook, or a closer look at the work, we hope you'll find something that encourages you to visit again.

Take a look around, subscribe to our YouTube channel, and follow our Facebook page to keep up with what's happening:

If you know someone who would be interested in the work, please share this newsletter or send them a link. Helping others learn about Japan Gospel is another meaningful way to be involved.

As we look ahead, please continue praying for the brethren in Japan, for those who have yet to hear the Gospel, and for wisdom as our family prepares for our move to Japan. There are still decisions to make and work to do, but we are encouraged by the progress and thankful to have you alongside us.

Thank you for caring about our family and the souls we hope to reach. We look forward to sharing what comes next!

With love and gratitude,
Justin, Megan and Laios Evergarden
